Dear Student:

Based on the information you reported on your 2009-2010 Free Application for Federal Student Aid (FAFSA), you may be eligible for funds from the Health Professions Loan (HPSL) or Loan for Disadvantaged Students (LDS) and/or the Scholarship for Disadvantaged Students (SDS). The HPSL and the LDS have a fixed 5% interest rate and may be consolidated with other Federal Loans.

Federal regulations require the Office of Student Financial Aid to verify the parental information provided on the FAFSA. Consequently, **both you and one of your parents must complete and sign this form and return it with a signed copy of pages 1 and 2 of your parents' 2008 Federal Tax Return by Friday, July 31, 2009.** Submitting this document does not guarantee that you will be awarded; however, if your parents do not complete this form, you will lose consideration for these programs. Parental information does not factor into the eligibility for student Federal Direct Loans and does not obligate your parents in any way to pay for any of your Veterinary Medicine education.
